Certificate of Approval for Public Water System

I hereby certify that the water system serving the public roads on this final plat has been installed (or sufficient surety has been provided to install) in accordance with the requirements of Dalton Utilities.  
 Dalton Utilities: [Signature] Date: 10/14/21

Certificate of Approval for Recording [Minor Subdivisions]

The Whitfield County Building, Zoning and Development Department certifies that this plat complies with the minor subdivision provisions of the Whitfield County Subdivision Regulations, [with the exception of such variances, if any, as are noted upon the plat], and that it has been approved for recording in the Office of the Clerk of the Superior Court of Whitfield County, Georgia.  
 Date: 10/27/2021 Authorized Representative: [Signature]

Final Accuracy and Design Certificate

It is hereby certified that this plat is true and correct and was prepared from an actual survey of the property made by me or under my supervision; that all monuments shown hereon actually exist and their location, size, type, and material are correctly shown; and that all requirements of the Whitfield County Subdivision Regulations have been fully complied with, and approval herof does not relieve me of any liability associated with inaccuracies or improper design.

 Elbert H. Angel Georgia RLS #1742 DATE

Certificate of Approval for On-Site Sewage Management System

Each lot shown hereon is suitable for the use of an existing septic system or for the installation of a new individual onsite sewage management system. Each new system installed will require a permit to be issued before construction begins, dependent upon the location of any structures and any limitations which adversely affect the performance of an on-site sewage system. General approval is hereby granted for one dwelling per lot for this subdivision site [with the exception of lots number \_\_\_\_\_].  
 Date: 10-27-2021 [Signature]  
 Whitfield County Environmental Specialist

Certificate of Approval for Fire Protection

I hereby certify that fire hydrants and water mains serving the lots on this final plat have been installed and flow requirements for the fire hydrants have been met in accordance with the requirements of the Whitfield County Building Code for the Fire Hydrant and Water Supply Requirements.  
 Whitfield County Fire Chief: [Signature] Date: 10/14/21

Certificate of Approval for Public Waste Water Collection System

I hereby certify that the wastewater collection system serving the public roads on this final plat has been installed (or sufficient surety has been provided to install) in accordance with the requirements of Dalton Utilities.  
 Dalton Utilities: [Signature] Date: 10/14/21
